Note: Wholesale customers (such as Pastors) can make a substantial profit, by charging the **retail price (\$14.95)** of the "seminar ticket" to the parents of the teenagers attending. For example, if a Pastor purchases 100 sets for \$900, he or she can charge each teenager's family \$14.95 per set (or \$15), **thus making a profit of \$600 for the church**. Checks should be made out to "WCN" and mailed to the address above. WCN will ship the curriculum sets directly to the customer, within two weeks of the customer's check clearing (to account for possible printing time). Add one additional week for actual shipping time (e.g. UPS ground).
